

# *Whole Life Therapy Services Cash Pay Fee Schedule*

## *Initial Evaluation:*

- Pediatric evaluation bundle, \$350.00: includes time with 3 visits, test interpretation, report, and parent update.
- Adult evaluation: \$175: includes 1 hour evaluation, test interpretation, report, patient update.
- 

## *Treatment:*

Single visits: \$37.50 (1 unit equals 8-15 min; 2 units equals 23-30 min; 3 units equal 38-45 min; 4 units equal 52-60 min)

6-Pack bundled visits: \$588 (six 45 min. visits) which is \$98/visit, or \$32/unit

12-Pack bundled visits: \$1080 (twelve 45 min visits) which is \$90/visit, or \$30/unit

*Home visits:* prices as above, with 15\$ added charge for greater than 15 min travel time

*Home safety assessments:* \$200 for full assessment of home environment, and patient practice training for bathing transfers. Includes time spent in home with patients providing immediate feedback, typing evaluation, providing equipment recommendations with resources for purchase.

\$15.00 travel fee for greater than 30 min travel

Follow up post-op visit for transfer training available upon request: 45 min visit @ \$112.50

\*\* If a patient's functional status has decreased significantly after surgery, a full occupational therapy evaluation of functional abilities would be recommended, rather than a one-time post operative follow up visit.

*Lymphedema treatment:* Initial evaluation \$350.00, includes volume measurement, treatment mapping, and garment assessment. Follow up visits \$37.50 per 15 min unit. Bandages are purchased separately, with assistance provided in selecting a vendor for purchase. Compression garments are not included in treatment, however assistance with referral to local vendors will be provided.

***Palliative care:*** Initial evaluation \$100, includes time spent with patient, and formulation of gals. Follow up visits, \$37.50 per 15 min unit. Creation of hand molds, \$120 including supplies. Construction and quilting of memory lap quilt, \$75, plus the cost of fabric. Travel fees apply, at \$15 greater than 30 min time.

***Telehealth Consulting:*** \$120 for initial consultation remotely includes intake of information, written assessment, and providing home program. \$37.50 for each unit of follow up telehealth visit. If evaluation is provided onsite, evaluation fees for pediatric, adult, and lymphedema apply.

***Cancellation Fees:*** \$50 no show fee
